

Stainless Steel

Since 1959, Packaging Specialties (PSI) has been manufacturing exceptional containers. Our stainless steel containers have been used throughout the world. These drums are known for their severe duty and custom configurations. PSI *Stainless Steel* drums are used to process, ship and store chemicals, pharmaceuticals, fragrances, beverages and flavors. Our *Stainless Steel* drums are known for withstanding harsh environments and for their low maintenance finish. Our drums are tested and true. Packaging Specialties is your best source value in long-term reusable containers!
